About the YWCA

YWCA is the oldest and largest multi-racial women’s movement in the world. YWCA Mohawk Valley’s roots trace back to 1885. We always have been, and will continue to be, in the forefront of equity and empowerment.

YWCA Mohawk Valley is:

▶ The only provider of Domestic and Sexual Violence Crisis Services in Oneida County
▶ The only Child Advocacy Center and provider of Sexual Violence Crisis Services in Herkimer County
▶ The leading provider of Transitional Housing for homeless victims of Domestic Violence in our Central New York Region
▶ The leading provider of Transitional Housing for homeless young women and men
▶ The leading provider of Prevention Education on topics of healthy relationships, sexual harassment, dating, domestic and sexual violence
▶ Champions for peace, justice, freedom, and dignity for all

IN 2015, YWCA MOHAWK VALLEY REACHED OUT OVER 17,000 TIMES TO SAVE, SUPPORT, AND EDUCATE THE MEMBERS OF OUR COMMUNITY.
Dear Friends,

What a year of change! Your support and dedication to YWCA Mohawk Valley has propelled us forward in addressing the critical and unique needs of domestic and sexual violence victims and the advancement of our mission to promote peace, justice, freedom and dignity for all.

Your generosity was also felt in the warm reception I received as the agency’s new CEO. I never would have imagined, when I arrived in October of 2015, how deeply you value YWCA’s ongoing commitment to confronting tough issues. I am truly honored to be a part of this agency and community.

We are also thrilled that the YWCA USA has helped us in our commitment by launching ‘YWCA IS ON A MISSION,’ a national campaign that highlights our passionate, purposeful approach to empowering women and eliminating racism. Our work hasn’t changed, only deepened. Our bold new look helps clarify our social justice roots and our focus on health and safety, empowerment and economic advancement, and social justice and civil rights.

These are exciting times. We are indeed on a mission, and we are honored that you are on that mission with us. We couldn’t do it without you.

Sincerely,

Dianne Stancato, CEO
